

A Fistful of Music

Music Newsletter for the Hiram College Library Community

April 2014

Spring is sort of here, but we could get more snow, so don't make any picnic plans yet. We are about to end the 12-week term, so let's go out on a high note. Pick one. This month we have a wide assortment of music coming in your direction, from blues harmonica to Latin bassoon, Japanese symphonies to Russian operas, and two, count them, two artists named Z. Z. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
