

A Fistful of Music

Music Newsletter for the Hiram College Library Community

April 2016

April showers. Or snow. Regardless of the weather, we can keep you on a steady course with a wide selection of music. This time around we have soul singers, country pickers, piano players, 80s vinyl, Russian composers, and two guys named Otis. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
