

A Fistful of Music

Music Newsletter for the Hiram College Library Community

Issue #105, February 2014

Entering February, we are weary of winter and looking for any signs of good weather. In the meantime, we have signs of good music. This month we have added our usual eclectic assortment of styles, from bluegrass to Bach (but not the one you think), Latin rap, techno, Tongan dance music, Japanese violin concertos, and some folks named Hildegard, Chirps, Tyrone, and Wilhelm. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
