

A Fistful of Music

Music Newsletter for the Hiram College Library Community

March 2014

Maybe the weather will break, or perhaps it will break us. To fortify yourself against the inclement onslaught, try some delicious music. We have all sorts of interesting items this month, from jazz vocalists to opera singers, Mexican electronica to Slovenian melodies, and ragas to rags. You should find something. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
