

A Fistful of Music

Music Newsletter for the Hiram College Library Community

March/April 2017

We continue to fall behind with *Fistful*, as you can tell. We should have a May issue before the end of the semester, to catch up with things. But while we may be overwhelmed, the music keeps flowing. There are hundreds of new recordings to listen to, and you might find nearly anything in the collection. Well, no Klingon folk songs yet, but we're working on it. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
