

A Fistful of Music

Music Newsletter for the Hiram College Library Community

Issue #102, November 2013

Welcome to *Fistful*! We are beginning to see the end of the 12-week term, and some respite from our many tasks, which will then be replaced by more tasks. But we are not here to disillusion you but to lighten your load with an array of new music! Once again we bring you an eclectic assortment of goodies in all genres. Natalie Cole is just above Danzig, Johnny Rivera is followed by the Twelve Girls Band, and Siegfried Wagner sits uneasily next to Kurt Weill. Despite the ironies of alphabetization, we hope you can find some great music in our list. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
