

A Fistful of Music

Music Newsletter for the Hiram College Library Community

November 2014

We have returned with another batch of hot, yummy music fresh from the oven for your delight! With this issue, we have finally reached 1,000 items in our [Northeast Ohio Music Collection](#). Look for the green sticker when browsing the collection, or click on the link. Normally, our classical music offerings would be heavy on the “B’s,” but this month we are featuring the letters “K” and “G” as well. However, nearly all letters are represented, so look for your favorite. Warning: Next month we will be adding lots of holiday music. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
