

A Fistful of Music

Music Newsletter for the Hiram College Library Community

November 2016

November seems to be Classical Music Humor Month. The Stamitz Quartet plays Dvořák, the Beethoven Quartet plays Shostakovich, the Shostakovich Quartet plays Tchaikovsky, and the Gabrieli Quartet plays Sibelius. Got that straight? Perhaps it wasn't so funny. Plus we've got cowboys, Philly soul, jazz singers, and two guys named Wolfgang. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
