

A Fistful of Music

Music Newsletter for the Hiram College Library Community

Issue # 101, October 2013

Welcome to October, and a new issue of *Fistful*. We continue our efforts to bring you just about anything and everything, and we're beginning to think we're getting someplace. This time around we have jazz singers and opera singers, classic rock and Rachmaninoff, Mozart and Mitch Miller, the conducting firm of Bamert, Hickox, Järvi, & Jurowski, and the first volley of 10-inch LPs. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
