

A Fistful of Music

Music Newsletter for the Hiram College Library Community

October 2016

Another month, another list. As we head into Fall Weekend, we could use some good music. Hey, look, we've got some! This time around we offer a wide selection of genres and musicians, from Southern rock to New Age, modernist string quartets to music from the 9th century, and Akron to Trinidad. Any comments, questions or demands can be sent to Jeff Wanser, wanserjc@hiram.edu. We'll make more.
