

**Hiram College Faculty, Staff, & Student
Publications & Scholarly Activity**

2011

This list represents the public scholarly output of the members of the Hiram College Community for the calendar year 2011. It includes books, dissertations, articles, presentations, performances, exhibitions, reviews, and other public activities as appropriate. Boldfaced journal titles indicate peer review. Photos are provided for those publishing books and completing dissertations. We have included as many links as possible on titles. The list does not include works in progress, materials written for the College, or most on-campus presentations intended for local consumption. We hope you find it fascinating.

Alphabetical Entries
Shishir Adhikari, Student, Class of 2011
"Reducing Computational Complexity in Polymer Modeling" Paper presented at the Ohio Foundation of Independent Colleges Undergraduate Research Symposium, Columbus, February 16, 2011.
Nozar Alaolmolki, Scholar in Residence, Garfield Institute for Public Leadership
"US-NATO and Russia: Foreign Policy Dilemma: In Caucasus and Central Asian Republics." Paper presented at the International Studies Association 52nd Annual Conference , Montreal, Quebec, March 16-19, 2011.
