

**Hiram College Faculty, Staff, & Student
Publications &
Scholarly Activity**

2013

This list represents the public scholarly output of the members of the Hiram College Community for the calendar year 2013. It includes books, dissertations, articles, presentations, performances, exhibitions, reviews, and other public activities as appropriate. Boldfaced journal titles indicate peer review. Photos are provided for those publishing books and completing dissertations. We have included as many links as possible on titles. The list does not include works in progress, materials written for the College, or most on-campus presentations intended for local consumption. We hope you find it fascinating.
